Subject: Introduction

Tony,

I wanted to make an introduction to you for a company that we have started using in Arizona. It is a contact for a fry filter machine company that is saving us about \$800-\$1500 a month per store that is using it. His name is Conrad Canter, and I have cc'd him on this email so you have each other's contact info. He has done a great job for us here, so please consider speaking with him and trying his services in your area. Thanks and don't hesitate to call with any questions!
